Wm Lloyd Garrison Esq -

Dear Sir;

299

Some

months since the Parker Fraternity  
instructed me to acknowledge the receipt  
of your book, and to tender you  
their thanks for the same. Your  
absence in Europe has prevented me  
from doing this till the present  
moment.

Allow me therefore  
at this late day to express to you the  
cordial thanks of the Parker Fraternity  
for your generous and very acceptable  
gift -

Yours Truly

Chas. F. Fisk
